

Bringing in The Harvest

The threshing floors shall be full of wheat,
And the vats shall overflow with new wine and oil.
Joel 2:24

Dear family and friends,

First, I must ask your forgiveness for not getting this newsletter out sooner. It has been a whirlwind year so far as God has been moving and shaking in Joel 2 Missions. Many updates happen daily and weekly through our J2M Facebook page. If you have not already, please visit <https://www.facebook.com/Joel2Missions/> and click on the like button. That will ensure that you are being notified with each update.

Second, I must thank you and invite you to celebrate with us! We are almost ready to open our doors for residency!!! This has been a long, hard battle that would not have been possible without the faithful prayers, contributions, and support from each of you. God has truly worked through you all to birth this amazing new facility that will give life to so many women and children. We are beyond excited! If all continues as planned, we will be accepting applications by June.

Many have asked why this has taken so long. Our answer is simple—we are waiting on God and His timing! With each need, we have waited upon the Lord for His provision rather than taking it into our own hands and seeking loans, etc. to complete projects. The best part about this is that we are debt free going into this and will be able to offer housing sponsorships at a much lower rate than if we had large amounts of debt to cover. What a struggle it has been to face times of extreme need and not result to normal methods of man to fill those needs; but God is His faithfulness has made it clear that He will do this, and He has provided EVERY TIME!!!

As of June, we are hoping to begin housing 25 women and children. In order to provide for all their needs, we will need 25 more sponsors at only \$150 per month each. If you know anyone that might be interested in sponsoring someone monthly, please share our newsletter and invite them to visit our website, email, or call. We would love to share more about this!

As always, know that we are praying for each of you!

Yours in Christ,

Pastor Paula Millsaps

Introducing New Members of Our Board of Directors:

All organizations go through times of transition. This first quarter brought quite a bit of it for Joel 2 Missions. As President of the Board and Founding Director of J2M, it is first my main concern to follow the direction of the Spirit of God. These changes represent the manifestation of that leading. While change is always difficult, these changes have proven to be very beneficial for everyone concerned which further confirms the will of God in the matter.

It is a pleasure to present to you our new Administrative Director and Chairwoman of the Board, Lori Carlson. Lori and her husband Dean have been instrumental in everything we have done here. Lori has been a devoted wife for 28 years. The two have three adult children that all serve the Lord diligently in their congregations and lives, and three beautiful grandchildren that already have a radiant love for God that lights up the room. Lori has a servant's heart and is always available with a kind word and loving prayer.

It is also our great pleasure to introduce to you our new Networking/Social Media Coordinator and Secretary of the Board, Lindsay Bowman. Lindsay holds a master's degree in Reading and Language Arts from Duquesne University. She, like Lori, is native to this region and is an on-fire Jesus lover. Her passion for Papa and His people is just beautiful. Lindsay also has a servant's heart and has made great strides in getting J2M connected to member of the larger community. Lindsay is part of the J2M prayer ministry team and is our first third-term resident turned volunteer staff. This young lady is a real-life example of what God can do in a submitted life and we are blessed to have her on staff. Lindsay resides in the ministry-owned staff house in Donora, PA.

Prayer Ministry and Counseling:

This year has been our busiest yet with prayer ministries and counseling. We have been blessed to be used of God in 20 prayer ministries already this year. Team members have been growing and stepping out using the skills and tools they have learned as we have allowed Holy Spirit to work through us on behalf of these beloveds. It has been an amazing season of seeing many delivered from long-standing wounds, oppressions, and offenses. It has been equally full of beautiful inner healings that have

resulted in physical manifestations of life-long pains disappearing from their bodies. One testimony has blown our minds with the amount of freedom this young lady has received in such a short period of time. For years, deliverance ministers all over the world have been seeking God for a way to help those suffering from SRA (satanic ritual abuse) and the resulting DID (dissociative identity disorder), otherwise known as split personality disorder, within shorter periods of time. Classically it takes years to minister healing to these individuals. This year we began working with one such case. This young lady was diagnosed with 21 personalities, or alters, and had been the victim of SRA. By the time she came to us, psychologists had managed to integrate all but eight, according to her. When we first met, the Lord showed us there were really nine personalities and two major demonic infiltrators that had possessed two other splinters of her personality. I understand that this may sound strange to many of you, but this is the level of healing that many need. The Lord gave me clear instructions for how to proceed, and as we followed them, we saw tremendous breakthrough very quickly. Within four months, all alters were successfully integrated and both demonic powers were cast out! She is now free to worship the Lord. Pain that she had lived with for decades simply left her body and the freedom she has is just amazing! I spoke with Dr. Mike Hutchings from Global Awakening and am in the process of sharing the model with him and others to have it further tested. This is super exciting as these precious ones have suffered so severely, we desperately needed a way to minister to them without causing further trauma. We know that God is sovereign and has all power over darkness! Finding out His way to do these things, according to His Word and led by His Spirit, is the key!!! More info coming soon!!!

ANGA Western Pennsylvania Connect Group: Our connect group meetings have been wonderful! This has become a real intimate family meeting where leaders are receiving much needed prayer and support. All like-minded leaders are invited to join us as we seek to connect, support, and grow together in the Kingdom of God. Our next meeting is June 7, 2019 at 4pm-until. Please call Lori at (910) 599-0991 for more details. We would love to see you there.

Network Advance, the Voice of the Prophets, and Travel to Utah: This year the Board voted to send Pastor Paula to both the Network Advance and the Voice of the Prophets. It was an amazing time in the Lord as connections were made with extended family members, ANGA leaders, and teaching from Dr. Caroline Leaf and many others helped to refill Pastor Paula. On her return from VOP, she left a few days later to help our Vice Chair, Ann Shipley's, family make the transition to Utah. Ann was hired as one of doTerra's first nurse practitioners to work in their very first integrative wellness clinic. Her little family has been a part of J2M since we were still in NC and it was a joy to extend the love of

family by going out to help them unpack, chase babies, and visit churches. We know it is the will of the Lord for them to be out there and are looking forward to continuing to see God move in their lives.

Upcoming speaking engagements: Pastor Paula will be speaking at New Beginnings Church in Uniontown, PA on Saturday, April 27, 2019 at 11am. She is thrilled to be visiting this women's group headed by Pastor Pearl Mitchell as Pastor Pearl and her group of ladies have already been donating clothes and items for use by the women and children at the home.

Upcoming Workdays: We have two scheduled workdays in May as we gear up for our First Annual Heart for Homes Spring Gala and for the Grand Opening of the Homes Project. Saturday, May 4, 2019 and Saturday, May 11, 2019 from 10am-4pm.
